Toddler Tuesday

Our partnership with Northeastern Arts Network brings five high quality and high energy performances to the region. This past year was cut short due to COVID-19 and NAN will not be having a season this coming year. Watch for the new season that will start Fall 2021.

The art shows that we have brought to the community in the last year have showcased local artists as well as traveling exhibits through Montana Art Gallery Directors Association and North Dakota Art Gallery Association. We would love to hear from you on what you are interested in seeing.

Our **annual events** in 2019-2020 remained popular and brought MDHC increased revenue and visitors thanks to **the support of dedicated volunteers, staff, and community partners**. Several of the annual events were put on hold for this year, but we hope to host these events next year.

Seffarine - Celebrating Chocolate 2019

2019 - Quilt Show - 1st place winner

The MonDak Heritage Center continues to **safeguard artifacts and tell the unique stories** of the MonDak region for the local community. In 2019-2020, MDHC assisted the Richland County Fair & Rodeo to compile their history and published a book celebrating their 100th anniversary. The book is available in our gift shop along with other RCF&R Centennial items.

**Behind the scenes**, MDHC started a large-scale collections and exhibits update and organization project. We have started this new project of sorting through all of the artifacts in the lower level, and entering each item into the Past Perfect Collections Management Software. If you are interested in assisting with this project please talk to Leann. This is a long term goal as there are possibly 500,000+ items in the collection.

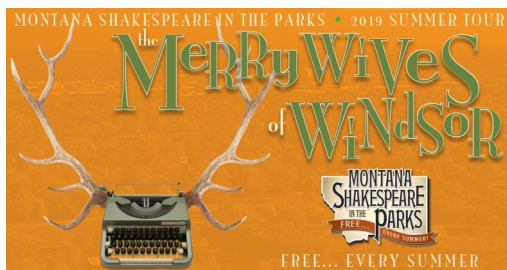

**The photograph project** is an ongoing project of taking each of the photographs in the collection, scanning at a high resolution and entering into Past Perfect.

Our **art classes** and camps continued to inspire artists young and old and provide a source of enrichment and creative relaxation for area residents. Due to Covid-19, Jess has been busy preparing To Go Kits for every age and price range. Bring your child in and pick out a kit or two.

**Open Studio Saturday** continues to be a crowd pleaser. It is held the 1st and 3rd Saturday of every month. Come in and choose a project from the examples available and sit down and enjoy a day of art. Space is limited, so call ahead to reserve your spot.

### **Shakespeare in the Park**

The MonDak Heritage Center for the first year in over 25 years did not host Shakespeare, as it was cancelled due to Covid-19. Check out the MonDak's facebook page for Greeting from the road reverse tour put together by the Shakespeare staff and Board President, Joe Bradley.
