

SPRING 2021

"CATACLYSM" THRU MAY 29

Cataclysm, sponsored by Montana Art Gallery Directors Association, is a portfolio exchange curated in response to the current global political climate. It includes artists from around the country and Canada who were asked to create work based around their hopes and fears given the current global state of affairs.

In 2012, Nicole Geary brought together a group of artists with the intention of creating works in response to the potential of a doomsday event. The exchange asked participants to explore their experience of the global phenomenon of doomsday predictions. "Cataclysm" is a response to the ebb and flow between angst and hope that many of us are experiencing both nationally and globally. We are emerging out of what was experienced by many as a time in American history defined by movement toward a brighter, more inclusive and at the very least more tolerant future.

"UNBRIDLED HAPPINESS" ***CUSTER COUNTY TRAVELING ART SHOW*** ***MAY 4 - 29***

Waterworks Art Museum's 42nd Annual Juried exhibit is titled "Unbridled Happiness." Different people have different perspectives of what happiness is. This exhibit will lead viewers into conversations about what each artist is conveying through their art. All different types of art media, subject matter, and techniques are in this exhibition. Artists from California to New York and many states in between are graciously entering their artwork. Encaustics, oil, beeswax, photography, acrylic, watercolor, oil, ink drawing, collage, soft pastel, photogram, gunpowder, and mixed media will keep everyone intrigued.

Director's Desk - Joe Bradley (MDHAS Board President)

It's Spring. Shake off those winter doldrums and pay the MonDak Heritage Center to view our latest exhibits as detailed elsewhere in this newsletter. Check out the opportunities to visit us and create some artwork of your own, or register your children for our new Summer Camp sessions.

Thanks to those of you who supported our Celebrating Chocolate event in February. We sold out of gift packages very quickly and we hope everyone who received one enjoyed the contents.

We are working plans for our landscaping project on the north side of the building, we are finishing up an expansion of our security camera system with assistance from the Richland County IT department, and continue our progress on the ongoing inventory of our lower level collections.

We continue to feature Art and History Exhibitions at MDHC. Please sign up for our Weekly Email Blast or follow us on Facebook for up-to-date information.

As mentioned elsewhere in this newsletter, you can support us when you shop at Reynolds. You can also support the MonDak Historical & Art Society when you shop at Amazon Smile.

Thanks again for all of your support and visits.

We look forward to seeing you in person or virtually this year.

SIDNEY SUGARS THROUGH THE YEARS SHOWING THRU MAY 29

The Sidney Montana sugar beet story started in 1924 when the decision was made to build a \$1,500,000 sugar beet factory. When the irrigation canal was built, Midland Holly Sugar was contracting to build the factory in Sidney. Prior to the building of the factory, the growers shipped their beets to Billings, MT which cost the growers \$1.22 per ton.

The first sugar beets grown in what was to become Richland County were grown by R.S. Nutt in 1911 and he used them for his sheep to graze on. They were fodder beets that had a lower sugar content.

The first beets brought to the factory were brought to the piles by horse drawn wagons.

Bricks for the factory construction were from the Jennison Brick Company of Fairview. The Mill began operating October 5, 1925 and finished slicing December 18, 1925. They produced a total of 127,433 hundred weight bags. The first 100# bag was purchased by J.C. Johnson of the Blue Rock Bottling Company. The first load of beets was delivered to the factory by Jacob Rau.

"PRAIRIE ROSE" PHOTOGRAPHY BY BILL LORD

JUNE 9 - JULY 31

Bill spent his entire life in NE Montana. He was the neighborhood kid with the camera when he was growing up. Bill took over the family ranch in 1972 and farmed until 2015 when his son took over. Rose was his ranching partner until they retired. He bought his first of many SLR's in 1973 and has been photographing the ranch, the prairie and the people of the area ever since. The prairie was hard to put on film, then he started taking photos of Rose and she turned the prairie into a true thing of beauty. Rose was the artist and Bill just did the mechanics.

He especially loved black and white because they are so forgiving.

WALTER PIEHL: RETROSPECTIVE: 1962-2018

JUNE 2 - AUGUST 14

Walter is an aficionado of history and art with a lifelong passion for Western Americana. This stems from his upbringing in a ranching family that rode horses, raised stock and participated in rodeos. His passion for rodeo, horses, cowboys and cowgirls permeates just about every artwork in this exhibition. This exhibition is

Sponsored by
MAGDA
Montana Art Gallery Directors Association

organized to highlight Walter's many suites, the hallmark of his work.

VOLUNTEER OPPORTUNITIES!

MDHC started a large-scale collections, exhibits update and organization project. We have started the project of sorting through all of the artifacts in the lower level, and ensuring each item is entered into the Past Perfect Collections Management Software. This is a long term goal as there are possibly 500,000+ items in the collection. It will take many man hours to complete. If you are interested in assisting with this project please talk to Leann.

Or if working in the collections isn't your interest we have many other volunteer opportunities: Saturday sitters, art class assistant, hanging and taking down art shows, lawn care, setting up for events or serving on the board of directors. If any of these opportunities are something you are interested in, stop by and visit with us.

FRIENDS OF REYNOLDS

Shop at Reynolds Market and raise funds for the MonDak Heritage Center! Just give the cashier the Friends of Reynolds **Code 2030** at checkout, and Reynolds will donate 1% of the purchase to the MonDak. We give those funds right back to our members by using them to support programs, art classes, exhibits, and collections preservation and access. Even those late-night trips for milk and cereal can help the MonDak! Remember **Code 2030**. Thank you!
