engaging & educating our community

Toddler Tuesday

Our partnership with Northeastern Arts Network will bring four high quality and high energy performances to the region this year. Schedules are available at the front desk.

The art shows that we have brought to the community in the last year have showcased local artists as well as traveling exhibits through Montana Art Gallery Directors Association and North Dakota Art Gallery Association. We would love to hear from you on what you are interested in seeing.

Our **annual events** in 2020-2021 were curtailed due to COVID-19, but we will be bringing them back this year starting with Harvestfest on November 20. We look forward to seeing you again this upcoming year.

Celebrating Chocolate 2021 was on the go! Delivered to your door.

2020 MonDak Christmas Gift Basket

The MonDak Heritage Center continues to **safeguard artifacts and tell the unique stories** of the MonDak region for the local community. In 2019-2020-2021, MDHC assisted the Richland County Fair & Rodeo to compile their history and published a book celebrating their 100th anniversary. The book is available in our gift shop along with other RCF&R Centennial items.

Behind the scenes, MDHC started a large-scale collections and exhibits update and organization project. We have started this new project of sorting through all of the artifacts in the lower level, and entering each item into the Past Perfect Collections Management Software. If you are interested in assisting with this project please talk to Leann. This is a long term goal as there are possibly 500,000+ items in the collection.

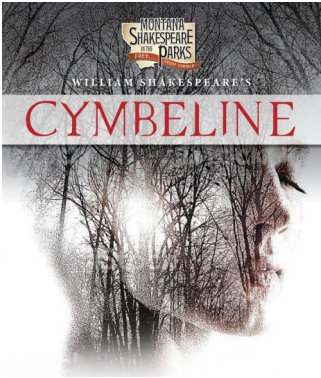

The photograph project is an ongoing project of taking each of the photographs in the collection, scanning at a high resolution and entering into Past Perfect.

Our **art classes** and camps continued to inspire artists young and old and provide a source of enrichment and creative relaxation for area residents. We now have an extensive line of Art To Go Kits for every age and price range. Bring your child in and pick out a kit or two.

Open Studio Saturday continues to be a crowd pleaser. It is held the 1st and 3rd Saturday of every month. Come in a choose a project from the examples available and sit down and enjoy a day of art. Space is limited, so call ahead to reserve your spot.

Shakespeare in the Park

The MonDak Heritage Center continues to host Montana Shakespeare In The Park, thank you to all of the members that have made this possible with your donations.
