HarvestFest 2021 “Brat Crew”

MDHC’s partnership with Northeastern Arts Network presented four performances last year and will again bring four high quality and high energy performances to the region this year. Schedules are available at the front desk.

The art shows that we have presented to the community in the last year have showcased local artists as well as traveling exhibits through Montana Art Gallery Directors Association and North Dakota Art Gallery Association. We would love to hear from you on what you are interested in seeing.

Our *ANNUAL EVENTS* for 2022-2023 have been scheduled starting with HarvestFest on October 8th, followed by MonDak Christmas on December 11th and Celebrating Chocolate on February 11th. We look forward to seeing you again this upcoming year.

Celebrating Chocolate 2022

2021 MonDak Christmas Gift Basket

The MonDak Heritage Center continues to **safeguard artifacts and tell the unique stories** of the MonDak region for the local community. If you are interested in helping preserve the history of the area, visit with us at the front desk.

**BEHIND THE SCENES**, MDHC started a large-scale collections and exhibits update and organization project. We have started this new project of sorting through all of the artifacts in the lower level, and entering each item into the Past Perfect Collections Management Software. This is a long term goal as there are possibly 500,000+ items in the collection. With the hiring of our new Executive Director, this project will be able to move forward.

Our **ART CLASSES** have taken on a new format. We are offering our art room to local artist who would like to teach a class. If you or someone you know would be interested in teaching a class, talk to us at the front desk.

### SHAKESPEARE IN THE PARK

The MonDak Heritage Center continues to host Montana Shakespeare In The Park. Thank you to all of the members that have made this possible with your donations. The 50th Anniversary Celebration of MSIP in 2022 featured King Lear in July and MDHC will host The Complete Works of William Shakespeare (Abridged) Revised on October 20th at 7:30pm at the Richland County Event Center.
